

REMARKS

This Amendment is in response to the Restriction Requirement mailed December 28, 2005. In this Amendment FIG 2B is amended, claims 2 and 15 are amended, claims 20 is added and the remaining claims are unchanged. Reconsideration is respectfully requested in view of the following remarks. FIG 2B is amended to correct a typographical error. In particular, element 50 should read 250. A corrected drawing is submitted with this Amendment. Entry is respectfully requested.

In the restriction requirement, the Examiner restricted the claims to five separate species. The Examiner indicated that the application could be divided in to the following distinct species:

Species I FIGs. 2A-2B;
Species II FIGs. 3A-3B;
Species III FIG. 4;
Species IV FIG. 5;
Species V FIG. 6.

In the Restriction Requirement, the Examiner also indicated that there were no generic claims. With this Election, the Applicant elects Species I represented by FIGs. 2A-2B. Claims 1-4, 6-11 and 15-20 read on the elected species. The Applicant asserts that at least claims 1, 7, 8, 15, 19 and 20 are generic. Furthermore, the Applicant asserts that there are additional claims in the elected species that are applicable to at least one of the non-elected species while not applying to all species. With this election, the Applicant believes the Examiner's Restriction Requirement has been overcome. Reconsideration and withdrawal of the Restriction Requirement are respectfully requested.

The Director is authorized to charge any fee deficiency required by this paper or credit any overpayment to Deposit Account No. 23-1123.

Respectfully submitted,

WESTMAN, CHAMPLIN & KELLY, P.A.
